“Establishment of a National Academic Depository is a step towards the Digital India
vision of Prime Minister Narendra Modi. The Securities Depositories in the country
have already made dematerialization of the financial securities and have been
ensuring the safety of the financial wealth of the investors. This system can now be
replicated for the educational awards. It is high time the academic awards are verified
and authenticated, accessed and retrieved in a digital depository”

- Shri Prakash Javadekar,
Hon’ble Minister of Human Resource Development
